What is The Members' Pathway?

In Freemasonry, we have studied the best way to ensure a happy, fulfilled and engaged Membership which leads to the growth and success of your Lodge. The result is a fantastic new toolkit called “The Members' Pathway”.

This guide is designed to help Lodges flourish and thrive. It provides a structured approach that every Lodge can follow, whatever the situation, to create enjoyment and added value for Members, whilst attracting and encouraging new Candidates to join Freemasonry.

The Members' Pathway will allow Members to get the best from their Freemasonry following the Masonic journey of self-development and learning from first interest through to Royal Arch and beyond.

This pathway, together with Mentoring and Learning & Development, are the three clear golden threads which should run through every Lodge, so that you support your Members on every step of their Masonic journey.

Why The Members' Pathway?

1. You will get more enjoyment, fun and greater satisfaction from your Membership of Freemasonry.
 2. You will be part of a team, creating and nurturing a thriving, successful Lodge.
 3. You will have more opportunities to take on and succeed at new challenges on your life long Masonic journey.
 4. You can help to shape the future of your Lodge and the Province.
 5. You will gain a greater and deeper understanding of Freemasonry in all its aspects to enhance your enjoyment.
